

AAS 38

PRODUCT FACT SHEET

AAS 38

DESIGN BY HEE WELLING & HAY, 2010

Featuring a curved backrest and elegant rounded frame in metal, About A Stool AAS 38 offers a more industrial expression, while sharing the same versatile profile as the other designs in the collection. The post-consumer recycled plastic seat is offered in a wide palette of contemporary colours and multiple front upholstery options, with the sled base available in two heights in different steel finishes. The series' simple yet strong visual presence makes it ideal as a bar stool in a variety of corporate, public, and private contexts.

HIGHLIGHTS

- Part of a multi-functional family of dining and conference chairs, office chairs, bar stools, lounge chairs, tables, an ottoman, and a sofa.
- Variety of shell colours and base finishes.
- Available with plastic shell, with front upholstery (AAS 38) and full upholstery (AAS 39) in a large selection of fabrics and leathers.
- All shells are made from 100% recycled post-consumer plastic.
- A majority of the unupholstered models are certified with the EU Ecolabel across the whole chair and bar stool series.
- Also available with moulded plywood legs.
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.

MELANGE CREAM				

The shells consist of 100% recycled post-consumer plastic from household machines. The use of recycled material means that colours vary slightly from batch to batch. Marks and irregularities on the surface are a natural part of the material and may occur.

FABRIC & LEATHER UPHOLSTERY

Please see our Fabric Overview for approved standard fabrics.

Please note that front upholstery is not available with walnut base.

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise our environmental impact. We optimise the use of sustainable materials such as recycled materials, FSC-certified wood, and water-based lacquer, with a growing number of eco-certified products. We have strict regulatory requirements, and the majority of our products are tested to comply with international standards for strength, durability, and safety.
