BELLA COFFEE TABLE DESIGN BY HAY

HAY's Bella Coffee Table is an understated table that is small enough to place anywhere. The ultra-thin surface and moulded oak veneer legs create a functional and aesthetically light table that can be used separately or positioned in pairs or groups.

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise the environmental impact throughout their lifecycle. We prioritise carefully selecting materials, such as recycled content, FSC™-certified wood, and water-based lacquer, while continuously increasing the number of eco-certified products. We adhere to strict regulatory requirements, and the majority of our products are tested to meet international standards for strength, durability, and safety.
