

# LOFT COUNTER & BAR STOOL

THOMAS BENTZEN ON THE DESIGN “Being a natural extension of the Loft design, the Loft Bar Stool mixes the complementing opposites of robustness and elegance through materials—wood for the seat and back, metal for the frame—with a soft, industrial appeal. The bar stool has an archetypical look that gives a feeling of familiarity while the subtle details, such as its sturdy back legs, gives it a unique expression. Though having the comfort of a full seat and back, the bar stool comes with a small footprint thanks to its legs being positioned neatly under the seat, making the design a natural fit for all environments while providing maximum comfort to its user.”

## DESCRIPTION

Combining the ideas of Scandinavian materiality and industrial design, the Loft Counter & Bar Stool features contrasting materials with its frame in powder coated steel that is offset by the warmth of wood with clear or colored PU lacquer.

## MATERIAL

Back and seat in veneer with a beech core and an oak veneer top with water-based lacquer. Frame in powder coated steel.

For Stained Dark Brown version only: Back and seat with water-based lacquer. Please note that slight color variations can occur due to the inherent characteristics of the material.

## CLEANING AND CARE

Wipe off with moist cloth and remove excess liquid with dry cloth.

## SPARE PARTS

Pre-mounted plastic glides included. Felt and plastic glides can be purchased separately.
