STANDARD BED SLATS

STANDARD BED SLATS DESIGN BY HAY

Designed for use with HAY's Tamoto Bed and Connect Bed, the Standard Bed Slats provide a secure and even foundation for the mattress to lie on, offering optimal support and comfort. Made in birch plywood, the slats are linked together with sturdy nylon straps and are easily mounted to the bed frame with four screws. The Standard Bed Slats come in different sizes to fit the various bed models.

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise the environmental impact throughout their lifecycle. We prioritise carefully selecting materials, such as recycled content, FSC™-certified wood, and water-based lacquer, while continuously increasing the number of eco-certified products. We adhere to strict regulatory requirements, and the majority of our products are tested to meet international standards for strength, durability, and safety.
